Honda HHB 36BXB Cordless Leaf Blower – Shell only

Honda HHB 36BXB Cordless Leaf Blower – Shell only

Our Price: £199

Description

Honda Cordless Blower offering perfect balance of power, comfort and control

Honda's lightweight Cordless Blower has been innovatively designed to deliver a powerful volume of air, ideal for clearing debris, leaves and garden waste. Offering variable speed control it allows a more efficient use of your battery, while the brushless motor gives you optimum performance and a greater run time.

A built-in axial fan and round nozzle allows you to direct a considerable blast of air at bulky leaves or grass cuttings that stand in your way, effectively clearing your path in an instant. Quiet and powerful our Honda Cordless Blower is fitted with a new brushless motor which offers superior performance, with noise levels of only 98db when in use.

Designed to fit comfortably in your hand, until the job is complete, it has been ergonomically designed ensuring lightweight balance and at the same time reducing vibration. The simple operating controls make it easy to start up and change speeds without the need to pause.

Operating off of the Universal Battery System, you can choose to use the 2, 4, or 6Ah battery, which can be charged by the fast 8Ah charger.

*Battery and charger not included

- Run time with 2Ah battery (mins): Full 6 / Low 35 (charge time 2Ah battery 25 mins)
- Run time with 4Ah battery (mins): Full 11 / Low 75 (charge time 4Ah battery 35 mins)
- Run time with 6Ah battery (mins): Full 18 / Low 110 (charge time 6Ah battery 55 mins)

* Indicative figures only. Varies depending on conditions.

Attributes

Technical Data	
Motor	Brushless
Rated Voltage	36v
Max air volume (Round nozzle) [M³/H]	780
Max air volume (Round nozzle) [M³/S]	0.22
Max air speed (Round nozzle) [KM/H]	200
Max air speed (Round nozzle) [M/S]	55.56
Vibration level [M/S²]	2.5

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
