Waldhausen Soft Rope Lunging Aid - All Sizes

Eliminating the need for a lunging roller, this quick & easy to use lunging aid is designed to encourage the horse to working over the back and into stretching posture.

Helps establish an equal contact through an evenly distributed rein and maintain postural, supple carriage without restriction nor tension.

The thick, super soft rope is simply placed over the horses back and in-between the front legs. The loose rein is then fed through the stainless steel ring and splits to two fully adjustable slightly thinner cord lines which clip directly onto the bridle bit.

Available Sizes: Pony (2.7-3.2m), Cob (3.2 - 3.9m) & Full (3.6 - 4.3m).

Color Options: Black or Red/Grey.

Ideal for all levels of rider when training their horses.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
