Description

Thompson's Water Seal 5 Litre

Utilising hydrophobic technology to deliver invisible protection against water damage by penetrating the surface and waterproofing even after the initial beading is gone

This penetrating formulation travels deep into exterior dry porous surfaces to form a breathable membrane that allows moisture vapour inside the substrate to evaporate whilst protecting the external surface. .

Will not be destroyed by ultraviolet light and is long lasting even under heavy moisture conditions.

Suitable for Exterior use only on surfaces such as brick, concrete, stone and wood.

Also available in 1L & 5L Tins.
