## Description

### Echo HC2020 Petrol Hedge Trimmer

Lightweight and extremely well balanced, the HC-2020 is ideal for homeowners and light-use professionals.

A range of features including longer, heavy duty, professional grade cutter blades and double reciprocating blades provide an exceptionally clean cut. The HC-2020 has a filtration system and cooling air intake from recoil cover, allowing the engine to run cooler with no blockages. A vertical fuel filler neck allows for easier refuelling.

**Two Edge Cutting Blades** – Double-edged Japanese cutter blades for long lasting sharpness and smooth trimming. 35mm blade pitch means a variety of different hedges can be tackled

**Tool Free Access To Air Filter** – Easy access to air filter, even when wearing gloves

**Warranty** – ECHO power tools come with a five year domestic warranty or a two year warranty in professional use (registration of ECHO products and servicing are necessary to validate the warranty)
