Description

Kärcher HD 5/12C Plus 240v Cold Water Pressure Washer

The new HD 5/12 C Plus from Kärcher features a host of benefits to make cleaning jobs that little bit quicker and easier. Typical Kärcher design features add convenience without compromising performance: like the on-board storage for nozzles, power cable, hose and lance; the new carry handle that makes the machines truly portable; and of course the unique lie-flat or stand up operating position.

Features and benefits

Save energy and time: EASY!Force high-pressure guns and EASY!Lock quick-release locks.

- At last – work without getting tired: the EASY!Force high-pressure gun.
- EASY!Lock quick-release locks: durable and robust. And five times faster than screws.

Mobility

- The integrated carrying handle on the front of the machine enable easy loading and convenient transport.
- Push handle can be retracted at the push of a button.
- Compact package.

Flexibility

- Vertical and horizontal operation possible.
- The wheels are not on in horizontal operation. In this way, the machine offers maximum stability.
- Separate parking and transport position for the spray unit.

Quality

- The automatic pressure relief protects the components and extends the service life.
- High-quality brass cylinder head.
- Large, easily accessible water fine filter for protecting the pump against dirt particles in water.

Accessory storage

- Practical nozzle compartments for triple nozzle and rotary nozzle.
