Muck Boot Women's Artic Sport II Ankle Boots Black-Grey

Designed for some of the coldest conditions, the Arctic Sport II collection reliably performs in nearly every environment.

These winter boots step up the warmth factor with cosy fleece lining and a 5mm neoprene inner boot for ultimate warmth in extreme conditions.

An EVA moulded midsole offers support, the flexible neoprene collar is comfortable, and the rugged outsole helps grip.

Perfect for yard, paddocks, dog walking & more... these high-performance slip-on ankle boots will keep your feet comfortable in frosty temperatures whilst remaining stylish.

***Please note we have found the sizing to be quite roomy*.**
