

Stihl FSA 57 Compact Cordless Grass Trimmer Kit

SH-4522-011-5743

Our Price: £255

Description

Stihl FSA 57 Compact Cordless Grass Trimmer Kit

Includes FSA57 shell, 1xAK10 battery and 1x charger

Feature packed and simple to use, the FSA 57 is perfect for trimming and edging jobs around the lawn. The light tool weight and adjustable shaft is great for users of all sizes and makes grass trimming even more comfortable. Quiet cordless technology boasts impressive performance, even when faced with those tougher jobs.

Quiet technology

The STIHL cordless tools are so quiet you don't even need to wear ear protection.

Spacer bracket

Practical spacer bracket for mowing along obstacles and around trees and bushes.

Length-adjustable shaft

With its flexible handles and variable shaft length, the perfectly balanced FSA 57 can be ideally adapted to your specific way of working.

Soft grip with control lever

The soft handle grip allows for better control and secure a grip in all conditions.

Neutral locking position

The battery can be inserted into the tool in 2 stages. In the first neutral position, the battery is secured in the tool but does not connect with the contacts, allowing for safe transport. In the second operating position, the battery is completely inserted allowing for full operation of the tool.

Loop handle

The loop handle angle can be easily adjusted without using tools. It is great for working in confined spaces and for trimming jobs between bushes and shrubs.

AK 10 battery

Compact lithium-ion battery for the COMPACT cordless power system with a voltage of 36 V and a capacity of 118 Wh. Battery life depends on the device type. With charge level indicator (LED).

AL 101 charger

Charger for the STIHL Compact Cordless System. With operating mode indicator (LED) and cable tie with Velcro tape. The charger can be wall mounted if required.
