

Echo PB-8010 Backpack Leaf Blower

XH-FCPB8010

Our Price: £699

Description

The PB-8010 is ECHO's largest and most powerful backpack blower.

A best-in-class product, it features a 79.9cc two-stroke engine producing an air volume of 1818m³/h, an airspeed of 94.5m/sec and a blowing force of 44N. Delivering an excellent power-to-weight ratio, the PB-8010 weighs just 11.2kg with an output of 4.2kW.

Features include a lightweight carbon fibre frame, cruise-control throttle, ventilated backpack pad, anti-vibration system and heavy-duty straps.

X-Series means ECHO's best-in-class products. More power, lighter weight and performance that will noticeably increase your productivity. Designed for professionals who demand the best and highest quality tools.

X-Series engines make this line-up exceptional. They offer a revolutionary combination to get jobs done faster with less fatigue.
