Bruder Land Rover Defender Station Wagon Fire Dept 1:16 Scale

This Land Rover Defender is almost unstoppable on its way to an incident as its off-road capabilities are legendary.

Just like the original, the BRUDER model features off-road axle suspension, Ackermann steering geometry including a drag link extension through the vehicle's roof and incident light module including siren & vehicle engine sounds. The fire fighter figure (officer-in-charge) can also be equipped with the enclosed accessories.

Manufactured from high quality plastic with authentic detailing and active working parts.

A really nice set with lots of add-ons to keep a young one engaged in creative play for hours upon end.

Dimensions: 28.0 x 13.8 x 15.3cm.
