

Spear & Jackson 9? Wavy Edge Hand Shears

41-99324

Spear & Jackson 9" Wavy Edge Hand Shears

41-99324

Our Price: £20

Description

Spear & Jackson 9" Wavy Edge Hand Shears

Features 230mm (9") wavy edge carbon steel blades which trap stems for more efficient cutting and feature an adjustable blade tension mechanism.

Coated for rust resistance, they are constructed with lightweight but strong tubular aluminium handles plus shock absorbers & non slip soft feel grips for added user comfort.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
