Our Price: £11.99

Description

Spear & Jackson Razorsharp Active Large Bypass Secateurs

A modern design and a highly competitive price point make these secateurs a popular choice for light pruning tasks.

The bypass cutting action is suitable for cutting softer, living and green stems without bruising and perfect for keeping shrubs and rose bushes in good order.

Features Carbon Steel blades for lasting sharpness, contoured, ergonomic handles providing a comfort grip even with prolonged use plus an extra large safety thumb catch for easy locking and unlocking

Overall length: 225mm. Blade length to fulcrum: 80mm. Handle span fully open: 135mm.

Weight: 0.190kg.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
