Kärcher HD 6/13C Plus 230V Cold Water High Pressure Cleaner

The new HD 6/13 C Plus from Kärcher features a host of benefits to make cleaning jobs that little bit quicker and easier.

Typical Kärcher design features add convenience without compromising performance including on-board storage for nozzles, power cable, hose and lance, new carry handle that makes the machines truly portable; and of course the unique lie-flat or stand up operating position.

Save energy and time with EASY!Force high-pressure guns and EASY!Lock quick-release locks which are durable, robust as well as five times faster than screws.

The integrated carrying handle on the front of the machine enables easy loading and convenient transport, whilst the push handle can be retracted at the push of a button making for an extremely compact design.

Boasts vertical and horizontal operating positions with maximum stability plus separate parking and transport position for the spray unit.

Built to last with a high-quality brass cylinder head, automatic pressure relief system protecting components & extending the service life plus easily accessible water fine filter for protecting the pump against dirt particles in water.

Practical accessory storage with compartments for triple nozzle and rotary nozzle. Rubber band for attaching the HP hose.

Specifications

Technical data

- Current type (Ph)- 1 – 230 – 50
- Flow rate (l/h) - 590
- Water Feed temperature - up to 60°C
- Operating pressure (bar/MPa) – 130 / 13
- Max. pressure (bar/MPa) – 190 / 19
- Power rating (kW) – 2.9
- Power cable (m) – 5
- Weight (kg) – 26.2
- Dimensions (L x W x H) (mm) – 380 x 360 x 930

Equipment

- Trigger gun, EASY!Force
- High-pressure hose, 10 m
- Spray lance, 840 mm
- Triple nozzle (0°/25°/40°), Manual
- Dirt Blaster spray lance
- Pressure switch control
