V-Flex 10cm Cohesive Bandage Navy EF-178170

V-Flex 10cm Cohesive Bandage

Description

V-Flex 10cm Cohesive Bandage Navy

A cohesive bandage which is designed to adhere to itself without adhering to other materials such as skin & hair. Easy to use as it conforms around difficult to bandage areas, providing support, protection and dressing security. Moderately stretchy thus ideal for a broad spectrum of applications & animals. For best results, use as an overwrap for Animalintex Gamgee & Poultice Pads. Like this V Flex Bandage? Why not browse more products in our extensive Equestrian range. Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
