Sealey Battery Operated Jerry Can Pump

22-40341

Description

Sealey Battery Operated Jerry Can Pump

Compatible for use with diesel and water, this automatic battery pump easily transfers fluid from 5, 10 and 20L jerry cans.

Hook storage design allows pump to attach onto fuel can and features a height-adjustable control to accommodate different sized containers.

Fitted with auto-stop feature to prevent overfilling and suitable for the full range of Sealey fuel cans and other compatible brands.

Requires 2 x AA batteries (not included).

Not suitable for use with petrol or kerosene.

Nett Weight: 0.28kg

Fuel containers should be adequately labelled and safely stored in a shed or garage.
