Description

Likit (650g) Hanging Treat Holder Blue

Likit Hanging Toys are designed to help make stable life for your equine friend more fun & less stressful.

This entry level toy can be hung freely in the stable from the rope provided and used in conjunction with a Likit Refill (650g), sold separately.

As your horse plays with the toy the Holder will move, making them work harder for their Likit reward.

Top Tip: If you don't have a beam to hang the Likit Holder from, you can use baler twine/rope across a corner and hang the Likit Holder from the middle of the baler twine to create a beam.
