Solocomb Humane Mane & Tail Grooming Tool

Without any pain to either horse or human, Solocomb is a unique tool for tidying up unruly manes and tails as well as achieving that much desired show finish.

This ingenious comb is designed to shorten and thin hair by way of back-combing hair and then thinning or shortening via a clipping action.

Containing top quality, precision-engineered hardened stainless steel blades, the original humane grooming tool is ergonomically designed as well as fun and easy to use.

Looking for a fabulous SHOW LIKE finish to your grooming? Why not browse more products in our extensive **Equestrian** range.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
