## Description

### DK Keith Equine Digestion Tub 12.5kg

Providing a sound nutritional platform and designed to be offered when forage quality is poor.

This Equine Tub is enriched with a full spectrum of vital vitamins & minerals as well as an additional yeast to aid digestion and maximise forage utilisation whilst maintaining condition.

Formulated to ensure that your horses thrive whether stabled or in work and comes supplied in a safe, flexible and shatter-proof container,

The unique formula ensures sound muscle and bone development, enhances coat and foot condition whilst improving health and temperament.

Also suitable for foals, lactating mares.

The entire range is BETA NOPS certified.

### Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
