Description

Fynalite Hi Strength 4 Prong Manure Fork with D Grip

Lightweight weight yet immensely strong, this Fynalite manure fork features specially shaped tines to make light work of all your heavy jobs.

Forged in one piece, the steel head it is less likely to snap, shatter or bend whilst the handle is precision shaped to fit tang for extra strength.

Equipped with a 'D' grip handle for improved balance and ease of use.

Ideal for carboard, straw & chopped straw bedding as well as skipping up the muck heap.

Up to 40% stronger than mild steel equivalents, an absolute must for any equestrian or small holder.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
