Description

Waldhausen Loading Transport Aid

With two hand loops, an innovative design to assist loading when on your own and for more sensitive equines that may need a little more encouragement.

Applies gentle pressure behind the hind quarters asking the horse to move forward.

A travelling aid you will not want to leave home without.

Ideal for early stages of training when introducing equines to the trailer & horsebox.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
