

Apollo Appleton Easy Fit Modular Straight Arch

39-02725

Our Price: £150

Description

Apollo Appleton Easy Fit Modular Straight Arch

This elegant structure is the perfect feature for any garden and can be beautifully complemented by more products in the Appleton Easy Fit range.

Use as an entrance into different areas, a standalone arch for growing climbing plants or as part of a bench arrangement creating a peaceful spot to relax.

Easy to fit to surround fencing & gates by means of a simple ground stake, the design possibilities are quite endless.

Dimensions: H213cm x W124cm x D61cm.

The entire Appleton range is made from triple coated steel for ultimate durability and longevity.

Includes ground fixing bolts plus side brackets to attach modular fence panels if desired.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
