Description

Deosan Red Label Hypochlorite

The **Red Label Hypochlorite** is a powerful biocide, effective against a broad spectrum of bacteria and suitable for use as an agricultural & livestock disinfectant along with pools & spa water.

Can also be used in circulation cleaning & rinsing for low grade food applications.

Deosan Hypochlorite is a clear, pale yellow/green liquid with a typical chlorine odour. It is a stabilised solution of sodium Hypochlorite containing 110, 000 ppm.

11% available chlorine.

**** Please Note: We can deliver this product within an 18 mile radius of one of our branches (restrictions apply). We are unable to send via a UK courier due to licensing restrictions ****
