

Galvanised Wire Mesh Netting

900mm x 25mm x 10M

40-00096

Our Price: £26.99

Description

Galvanised Wire Mesh Netting 900mm x 25mm x 10M

Manufactured from 20g steel then galvanised to add a protective coating to guard against corrosion and rust.

Featuring a 25mm hexagonal aperture, this handy roll can be put to good use around the Garden, Allotment or Smallholding as a temporary or permanent fixing

Ideal for larger fencing projects and cordoning off small livestock areas such as Chickens, Geese & Ducks.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
