

Spear & Jackson Razorsharp Advance 22" Dual Compound Bypass Lopper

41-76445

Our Price: £42.5

Description

Spear & Jackson Razorsharp Advance 22" Dual Compound Bypass Lopper

Manufactured in new materials and an ergonomic design to make garden cutting easier and whole lot more enjoyable, the Razorsharp Advance range incorporates mechanical innovations including geared and ratchet mechanisms.

Featuring a dual compound action applying force for an easier cut and +80% mechanical advantage, the loppers boast a maximum cutting diameter of 40mm.

Constructed with lightweight tubular handles and fitted non-slip grips for added safety and extended user comfort.

PTFE coated blades help prevent rust resistance and provide a smoother cutting action.

Ideally suited for cutting living plant tissue.
