## Description

### Ascalon Cast Iron Pitch Fork Boot Scraper & Brush

Ideal for a variety of wellies & country boots as well as the kids football & rugby boots, put an end to the the family trudging mud into your home & car.

Crafted from heavy duty cast iron to scrub away mud from the sole, this double sided design features a hard waring bristle brush to help remove excess dirt from the sides.

With an inspired garden theme design for added convenience & ease of use, this portable design is sure to provide its worth in more ways than one.

Overall dimensions: 186 x 34 x 25cm.

\*Please note the handle of delivered stock is Orange & not Green\*

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
