Description

Felco No7 Bypass Secateurs

Superb ergonomic bypass secateurs designed for the professional and features a rotating handle that revolves on its axis. Allowing the fingers to move naturally, blistering & hand fatigue that so often accompany prolonged pruning work is significantly reduced.

The unique swivel action requires up to thirty percent less effort than conventional models and offers maximum comfort on continuous pruning. The swivelling handle may feel strange at first but you'll quickly come to wonder how you ever lived without it.
