Seeland Taxus Rain Poncho Martini Olive

Spring is here but so are those days where the pouring rain never seems to end. Worry not, we've got you covered from head to toe in the Taxus Rain Poncho.

Extremely practical, a thin and very lightweight cape that folds up to nearly nothing inside the central front pocket.

Unlike your classic military poncho, the Taxus features a waterproof and windproof SEETEX® membrane so condensation does not accumulate inside plus an adjustable hood to fit snugly around your head in the cold and wet.

Finished with press studs at the side to button down for maximum protection plus six well positioned metal eyelets allowing the garment to transition to a wind shelter etc.

Super value and so easy to carry, a versatile option to keep you comfortable and dry whatever your seasons outdoor activities may be.

One size only. Also available in Martini Olive.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
