*****Free pair of HJ gardening socks with Muckster Lite clogs- automatically adds to basket, whilst stocks last*****

Inspired by the Muckster collection, the Muckster Lite Clog is 50% lighter and provides excellent support and comfort for all-day wear.

Built from a high-performance, lightweight foam called Bio Lite which is ultra-durable and easy to clean. The upper features side ventilation holes for breathability and drainage for water and debris.

Offering a lighter footprint for your feet and the planet, this entire clog is constructed from Bio Lite which is eco-friendlier than many other injection moulded foams.

UK Sizes: 06 - 12. For half sizes Muck Boot recommend ordering up.
