Our Price: £13.99

Salt of the Earth Water Softening Granular Salt 25kg

47-07305

Description

Salt of the Earth Water Softening Granular Salt 25kg

Ideal for Water Softeners & Dishwashers, this high quality, free flowing salt dissolves evenly leaving No Residue.

Granules dissolve evenly to produce a clear brine that flushes out the accumulation of harmful minerals from your water system & appliances.

Better for your home, skin, hair and bank balance.

Available in single bags or Bulk Pallet. Please call 01245 383565 for assistance with larger quantities.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
