

Echo SRM-420TESU Petrol Brushcutter

XH-FCBCSRM420TESU

Our Price: £628.99

Description

Built for professionals, ECHO's SRM-420TES/U is a 41.5cc high torque brushcutter. With a 1:2.07 gear reduction ratio, this product generates outstanding levels of torque – more torque means greater cutting performance.

The SRM-420TES/U comes with a harness for quick hook-up and release to the machine. This not only speeds up the work process but also allows operators to detach themselves from the machine quickly should the need arise.

A heavy-duty, two-stage air filter provides greater durability and filtration than a standard filter, while Easy Start ensures almost effortless starting.

This product is part of ECHO's X Series range of "best-in-class" products.

X-Series means ECHO's best-in-class products. More power, lighter weight and performance that will noticeably increase your productivity. Designed for professionals who demand the best and highest quality tools.
