## Description

### ICL AccuPro One Rotary Fertilizer & Spreader

The AccuPro One is a versatile rotary spreader, designed for use in landscape and garden areas.

The latest addition to ICL's range of high quality spreader, this easy-to-use pedestrian spreader provides uniform coverage for your lawn, regardless of its size.

1.5- 3.0m spread width depending on granule size and spreader settings.

Fitted with pneumatic tyres provide easy manoeuvring without leaving any track marks.

For best results use with other ICL products in the range
