Description

Ashbourne Galvanised Spring Bolt Field Gate (3ft – 15ft)

16-F000208103P

Ashbourne Galvanised Spring Bolt Field Gate (3ft - 15ft)

Suitable for most livestock situations, this lightweight Metal Field Gate is now available in a full range of lengths between 610mm (3ft) to 4575mm (15ft).

Manufactured with box section RHS bracing for improved strength and hot dipped for additional protection from the elements.

Straight forward installation onto wooden or steel posts, the Ashbourne Gate features a spring loaded, sliding bolt fastening for added security.

1143mm in height high.

Top and bottom rails 43mm o/d tube.

Intermediate rails 29mm o/d tube.

Eyelet fixings included.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
