Our Price: £539

Description

Flexibility is at the core of the Toro eMulticycler™ 43 cm Variable Speed Battery Mower. Adjust the speed to your liking, set it for bagging or recycling. The wide 43 cm cutting width makes quick work of lawns up to 300 square metres. The Flex Force Power System™ includes an 850W brushless 60V MAX* motor, free of engine exhaust emissions.

And the RunSmart™ Software maximises run time and performance by automatically adjusting the speed of the motor to match the conditions. The SmartStow® feature lets the mower be stored upright, saving storage space and providing quick access for cleaning under the deck. Easy push-button start.

Best of all, your 60 Volt battery is compatible with all the other products in the Flex-Force battery-powered line-up.

L216 battery (4.0 amp-hour, 216 watt-hour) and charger included.
