Toro 51835T Battery Grass Trimmer – Tool Only

WY-51835T

Description

Trimming is quick and easy with this 60V MAX* String Trimmer. Just thread the line, spin the dial and you're all set. The cutting width adjusts quickly from 36 to 41 cm, so you can get the setting you need for simple touch-ups or tackling tall, thick grass. Just tap & go to advance the line.

The variable-speed trigger with two speed ranges delivers extra power when you need it, and the high-performance Flex-Force Power System™ brushless DC motor is free of engine exhaust emissions and reduces maintenance and wears less compared to a brushed motor. An ergonomic handle with Comfort Grip reduces arm fatigue.

Best of all, the 60 Volt battery is compatible with all the other products in the Flex-Force battery-powered line-up.

- **High-Performance Motor:** Brushless DC motor for dependable power and reduced maintenance.
- **Adjustable Cutting Width:** Tailor your trim with a cutting width from 36 cm to 41 cm.
- **No Spool Hassle:** Quick-feed system – just thread the line and get to work.
- **Optimised Run Time:** Up to 50 minutes of trimming, ensuring you get the job done.
- **Lightweight & Durable:** Approximately 4.58 kg (with a 2.5Ah battery), built to last with a cast-aluminium direct-drive head.
- **Battery & Charger Not Included:** Enjoy the flexibility of Toro's interchangeable battery system.
