Husqvarna 225i Battery Chainsaw Kit

HV-SW225IKIT

Description

Husqvarna 225i with battery and charger

The Husqvarna 225i is the perfect battery chainsaw for firewood cutting, delivering high cutting capacity with less noise compared to a petrol engine, with no fumes, or direct emissions.

Excellent for quick and easy pruning, felling small trees and firewood cutting around your home garden. Lightweight, slimmed, and well-balanced, this battery chainsaw is very easy to start and use, built with premium quality in design, cutting performance, and durability. Equipped with the updated digital user interface, inertia chain brake, and optionally with a tool-less chain tensioner.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
