Our Price: £749

Description

522HDR60X

A 21.7cc, double-sided hedge trimmer with a 60 cm cutter bar and high torque gear for tougher cuts. The multi-position handle and impressively low weight combined with the slim, balanced design and low vibration levels provide excellent handling, while the high capacity, high-speed professional knife blades, open blade guard and impressive power output allows for excellent cutting performance.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
