Milwaukee M18 High Output 8.0AH Battery

39-MWM18HB8

Description

Milwaukee M18 High Output 8.0AH Battery

New To Ernest Doe!

Now more powerful, longer run-time and more charges! Compatible with all M18™ tools in the range.

- The new M18™ 8.0 Ah HIGH OUTPUT™ battery pack provides up to 50% more power vs M18™ REDLITHIUM™ battery packs
- Patented REDLINK™ intelligence protects the pack from tough jobsite conditions to ensure optimum performance
- Runs up to 50% cooler than other M18™ REDLITHIUM™ battery packs through heavy applications, allowing tradesmen to push their cordless tools harder and longer than ever before
- Drives complete corded replacement on the job site with more run time than ever before
- Durable metal frame battery construction with shock responsive separators prevents pack failure from excessive vibrations or drops
- On-board battery fuel gauge helps the user to maximise battery run-time efficiency
- Individual cell monitoring ensures optimal charge and discharge for maximum life
- Compatible with all M18™ tools in the range

Also available in **5.0AH**, charger can be **found here**

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
