Our Price: £549

Description

High Quality Cutter Deck – The Weibang Virtue 46 SVP petrol lawnmower has a deck pressed from high quality steel. The deck is designed for a long life and optimum performance for collecting, mulching and side discharge

Weibang Virtue SVP Lawn Mower Deck

Side Discharge – The side discharge function is best used in areas of longer grass. The mower blade cuts the grass and is then quickly discarded out of the side discharge chute at the side of the mower deck keeping the deck clear for optimum mowing

Weibang Virtue SVP Side Discharge

Mulching – The Virtue 46 SVP supplied with a mulch plug which is inserted into the discharge chute preventing the grass cuttings from leaving the cutter deck. Instead, they are recut by the hybrid mower blade into tiny pieces before being dropped back into the ground. For maximum mulching performance, a dedicated mulching blade is available

Weibang Virtue Mulching

Variable Speed Wheel Drive – The 46 SVP features a newly developed PRO Variable Speed Gearbox which enables the user to set the wheel drive speed using the controls on the handle bars. The variable speed drive is useful when working on lawns with different terrains or mowing conditions

Attributes

Technical Data

Engine	Weibang X145
Displacement (cc)	140cc
Fuel Tank Capacity	0.9 Litres
Cutter Deck	Steel
Cutting Width	46cm / 18"
Mulching	Yes
Side Discharge	Yes
Work Area	Up to 1200m ²
Transmission	Vari Speed
Drive Speed m/s	0.68 – 1.39m/s
Collector capacity	55 Litres
Cutting Height	20 – 70mm
Weight (kg)	38kg

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
