Description

Weibang Legacy 56 Pro Rear Roller Lawnmower

AK-WBLEGACY56PRO

High Collection Performance – The extra large 85 litre grass collector is designed to provide optimum airflow ensuring maximum collection capabilities. The integrated air-flow fabric on the top of the collector indicates when the collector is full and requires emptying

Weibang 56 PRO Collection Bag

Robust Build Quality & Comfortable Operation – The heavy duty adjustable handle brackets are designed for a long life whilst the Anti-Vibration technology and ergonomically designed premium handle provides maximum user comfort

Weibang Heavy Duty Handlebars

Central Cutting Height Adjustment – The cutting height of the rear roller mower can quickly and easily be set using a spring assisted lever enabling the mower to cut at 11 different heights between 13 – 67mm

Weibang PRO cutting height adjustment

Kawasaki Power – The Weibang Legacy PRO lawn mowers are powered by quality and robust Kawasaki FJ180V engines

Weibang PRO Kawasaki Engine

Heavy Duty 3 Speed Pro Gearbox – The Legacy 56 PRO features a heavy duty, professional, 3 speed gearbox that is designed to last a lifetime

Weibang PRO 3 Speed Gearbox

Innovative Energy Transfer System (E.T.S) – The Weibang Legacy PRO rear rollers feature an Energy Transfer System which absorbs shock through the drivetrain upon engagement ensuring a long life

Weibang PRO ETS

Weibang Legacy 56 Pro Rear Roller Lawnmower

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
