## Description

### **Battery lawn mower that is easy to use, store and carry**

This 18V battery lawn mower is easy to use, store and carry. Designed for small spaces, it folds to a handy size and is stored vertically on the floor or wall with the included hook and detachable collection bag. Easy to start and navigate the narrow passages of your lawn, with an adjustable handle for a comfortable working position. Since it is lightweight and foldable, with a carry handle, it is easy to move between your front and back garden. Part of POWER FOR ALL battery system.

The Husqvarna Aspire™ battery-powered tools have been developed with limited space in mind. This is why every product comes with a tailor-made storage hook which can be mounted directly on the wall or used with the Husqvarna Aspire™ Storage Rail system. This tool storage can be extended with all gardening tools alongside the Aspire™ rail system.

This product is part of the POWER FOR ALL ALLIANCE and is compatible with numerous other batteries and chargers from participating brands. This means that you only need to buy one battery for all your home and garden products.
