Description

Blue Horizons 200g Stabilised Multifunctional Chlorine Tablets 2kg

Enhanced with a clarifier & algae inhibitor for sparkling clear water, these multifunctional tablets control bacterial & algae in swimming pools.

An easier way of maintaining chlorine level in your pool, place in the skimmer, floating dispenser or chlorine feeder (trichlorinator) for stress free application.

Slow release over 3-5 days depending upon the water flow & temperature

Formulated with a high chlorine content plus a chlorine stabiliser to minimise loss to sunlight.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
