

Blue Horizons Rapid Shock 5kg

38-10106

Our Price: £94.99

Description

Blue Horizons Rapid Shock 5kg

A new generation, fast dissolving shock granule to quickly establish a chlorine level in pool water, to purge bather wastes or destroy algae.

Economical, high chlorine content.

Can normally be applied directly to your pool water (check product instructions).

Stabiliser-free.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
