## Description

### Doff 1Ltr Container & Basket Feed

Doff Container and Basket feed with micro-nutrients will encourage plants to produce flowers which last longer. Simply add 15ml to 4.5 litres of water and this will feed approximately 3-4 baskets. It is recommended to apply weekly during the growing season.

Apply feed after watering and not when plants are dry. Feed early in the morning or in the evening and not in sunlight to avoid scorching of plants.

Makes up to 300 Litres (66 gallons) of feed.

We have a great range of products to help you create your perfect garden and you can choose the 'click and collect' option and pick up from your local store.
