

Aspen 4 Alkylate Petrol for 4-Stroke Engines & 2-Stroke Outboard Motors (5 Litres)

HV-ASPEN4T

Our Price: £24.5

Description

Aspen 4 Alkylate Petrol for 4-Stroke Engines & 2-Stroke Outboard Motors 5 Litres

Suitable for Lawnmowers, Rotary Cultivators, Snow Blowers, Boats & other 4-Stroke Engines.

Aspen 4 is alkylate petrol without oil and contains no ethanol which attracts moisture and can cause engine fires.

It is ideal for use in marine environments and will keep the spark plugs and combustion chamber of your machine clean.

Can be stored for a long time without any deterioration in quality, making your machine easy to start; even after long periods of standstill.

Aspen 4 is virtually free from harmful substances such as benzene, aromatic hydrocarbons or olefins; substances that can cause serious health problems.

There are also numerous environmental benefits to Aspen 4, such as reducing the formation of ground-level ozone (smog) by about 40%.

To use Aspen Alkylate Petrol in your 2-stroke outboard motor, simply mix Aspen 4 with outboard oil. To minimise the environmental impact, choose a biodegradable oil.

** As every machine is different, we highly recommend to follow advice as per your user manual for your specific engine.

For 2-Stroke engines such as Chainsaws, Brushcutters, Chainsaws, Hedge Trimmers & Power Cutters USE ASPEN 2.
