Description

Enhance your garden with the help of the Honda Cordless Lawn Trimmer

The Honda Cordless Lawn trimmer will create the perfect finish for your garden, it is designed with comfort in mind for use on those intricate areas. Making the tidying of edges, trimming around trees and plants easy and effortless. This quality handheld tool benefits from a durable brushless motor and is used with a sustainable Honda Li-ion battery.

With a cutting width of 330mm, the Honda Cordless Lawn trimmer is tough enough to tackle those thicker areas of grass and weeds. A bump feed mowing head ensures the nylon cutting line is instantly replaced while in use, so there is no compromise to performance.

An adjustable loop handle and harness assist with the balance and allows the user to obtain a comfortable position for continual use.

Operating off the Universal Battery System, you can choose to use the 2, 4, or 6Ah battery, which can be charged by the fast 8Ah charger.

2Ah Battery and charger are included in this bundle

- Run time with 2Ah battery with Nylon line: 16 mins (charge time 2Ah battery 25 mins)*

* Indicative figures only. Varies depending on conditions.
