Description

Werner D Rung Extension Ladder Double 2.97-4.92m

This Double Section extension ladder is made from high grade Aluminium and extends to 4.92m (16ft 1").

With box section stiles designed to ensure the ladder is lightweight but strong, this ladder is a ideal for jobs around the work site.

Features include manual thumb operated locking catches to prevent sections separating, slip resistant D-shaped rungs and a wide stabiliser for added safety during use.

Approved to the latest EN131 standard.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
