Description

Husqvarna 310 Automower

Efficient 4-wheeled robotic mower for larger and more complex grass areas. Suitable for medium sized areas up to 1000 m² and can also handle slopes with an incline of 40%. Smart technology automatically guides the robotic lawn mower through narrow passages. The intuitive menu system allows personal settings for when you'd like the machine to mow. Snap-covers in different colours are available as options.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
