Description

Stihl AP 200 S Genuine 36V Battery

36 V, 4.8 ah Lithium-Ion battery. The AP 200 S offers excellent run times on our cordless tools. The battery has an integrated LED charge indicator, clearly displaying as and when the battery needs charging. Compatible with the AL 101, AL 300 and AL 500 charger unit. Click on the technical data tab of individual products to learn more about machine run times.

Introducing the most lightweight battery in the AP system, the AP 200 S. This battery replaces the AP 200 and offers the same recharge time, weight, and energy content. However, it comes with the added benefits of integrated STIHL Connected technology and improved performance in cold temperatures. Designed for professional use, the AP 200 S ensures reliability and efficiency in various conditions.

We are an authorised **Stihl** dealer and can provide full service back up and maintenance for your Stihl equipment.
