Description

Lighthouse AA Battery Pack (24 Pack)

These high-performance Alkaline Batteries AA, 24 Pack, from Lighthouse, are designed to provide a high capacity for energy-hungry devices. With a long storage life of up to 5 years, this XMS deal is sure to be a best seller.

Alkaline batteries last longer when used with higher current devices and can outperform zinc-carbon products by up to 6 times, with less risk of leaking. Plus, they are mercury and cadmium free.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
