Description

Weedol Rapid (Ready to Use) Weed Control Power Sprayer 5L

This innovative battery powered power sprayer has a one touch continuous spray with effortless trigger action and extended reach delivering a wide, accurate spray.

Quick and effective, a pre-mixed, ready to use general purpose weed killer that can be used all around the garden and ideal for areas such as weedy flower beds & veg patches.

Once sprayed, the active ingredient pelargonic acid starts working immediately, giving you results in 3 hours.

Ideal for spot treatment. Breaks down in soil naturally - leaving the area ready for replanting in just 3 days.

Treats up to 165 m². Apply at 30 mL/m². For best results use April - November.

Battery included. Remove protective strip from battery compartment to activate.
