Description

Betacraft ISO940 Waterproof Eco Womens Parka Black-Moss

21-49012P

Betacraft ISO940 Waterproof Eco Womens Parka Black-Moss

Tailored to a feminine silhouette and crafted using Tetratex 4-layer technology, this coat can be guaranteed to handle a downpour, allowing you to focus on your day no matter what.

100% Waterproof & Windproof with fully sealed seams. High performance recycled outer & lining fabrics, both breathable & tough.

Unique, fully adjustable hood construction for face protection whilst having optimal visibility.

Two-way zip for maximum freedom of movement with magnetic storm flap & velcro closures.

ISO Dry-cuff configuration and multiple pockets for cellphone & tools.

25,000 mm/m² Waterproof rating | 5,000 gm/m² Breathable rating.

UK Sizes: S - XL. *Please note supplier advising sizing runs large, we recommend purchasing one size smaller.*

Lifetime Guarantee against manufacturing faults.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
